

PUSH TO OPEN NATURE SOCIETY

Trail Rider Training & Open House

Find out how you
can get involved!

Push to Open Nature Society is an Alberta based non-profit group. We work to build local partnerships, reduce barriers for inclusion and most importantly create meaningful, year-round opportunities for outdoor recreation for persons with disabilities in our community. We are proud to announce that 2 trail riders will be available for use in local provincial parks just in time for the 2013 camping season to begin. Please come out and see what its all about. Help us make nature accessible for everyone.

Become a participant
and get outside!

Volunteer and share your
outdoor passion and skills,
there are many opportunities!

Sunday May 26th
Crimson Lake Day Use
Area

1:00pm—3:00pm
